ORDER:-

In the reference 1st read above, the Government have issued orders for according permission to Engineer-In-Chief, PRED to assign the work Order of Design, Development, Implementation and Maintenance of ICT System to TCS for implementing the project on par with agreement made under MNREGS by making the expenditure from 0.5% QC Charges and the Project Agreement and Master Service Agreement were entered with TCS on 27/03/2017, 28/03/17.

2. In the references 2nd read above, the ENC, PR, Hyd. has submitted proposal and requested that as TCS is executing Design, Development, Implementation and Maintenance of ICT System to PRED and the Maintenance and Support of ICT system comprising of PRED Online Application would be appropriate to assign to M/s TCS. Hence PRED requested to extend the Project of Maintenance and Support of ICT system comprising of PRED Online Application to M/s TCS for one more year i.e. up to 31/03/2018 for smooth running of the Application as M/s TCS is well acquainted with PRED work flow. To give permission to extend the services of TCS duly meeting the expenditure from 0.50% QC Charges available with the department. The ENC,PR assured that an action plan will be prepared, wherein TCS need to train PRED engineers so that, the staff of PRED along with IT department team will be able to maintain the PRED web Application software.

3. Government after careful examination of the proposal, hereby accord permission to the Engineer-in-Chief, Panchayat Raj, Hyderabad to extend the services of TCS for maintenance and Support of ICT system comprising of PRED Online Application for one more year up to 31.3.2018 to meet the said expenditure from 0.50% QC Charges .

4. The ENC, PR, Hyderabad is requested to prepare the action plan wherein TCS has to train PRED Engineers and staff of PRED along with IT department team so that they are able to maintain the PRED web Application software in-house 31.3.2018 on wards. In addition to this ENC, PR should also make in house team from fresh AEE, headed by one DE/EE to take over the source code immediately including any future modification/development next year onwards.
